My Challenge: Travel 300 miles by foot and bicycle between July 11 and August 8. And a stretch challenge of 500 miles...which hopefully will encourage your generosity even more :)

Updates will be posted every few days detailing miles achieved.

Suggested Donations:

- Per mile achieved: 5¢, 10¢, 15¢, etc.
- And/or a flat rate for achieving 300 mile goal: \$5, \$10, \$25, \$100, etc.
- Add a flat rate for if 500 mile stretch goal is reached.

Every little bit helps. Please help us save the pond for everyone's enjoyment.

Thank you!
